

Exhibit "A"

**Bluebonnet Electric Cooperative
Distributed Energy Resource Interconnection Worksheet
Under 50 kW, Inverter Based Solar and/or Battery only**

Account Name * _____

Account Number * _____ Meter Number* _____

Service Address* _____

Member Phone () _____ - _____ Member Email _____

Installer Name* _____ Installer Phone* () _____ - _____

Estimated Completion Date: _____

BBEC use only _____

Inverter Make*	Model*	Qty.*	Inverter AC kW rating ^{1*}	Total AC kW*
			AC Solar Total kW	

Inverter or Battery Make*	Model*	Qty.*	AC kW rating ^{1*}	Total AC kW*
			AC Battery Total kW	

¹ (AC kW rating = Individual inverter rated (continuous) output (AC) rating in kW)

Output Voltage* _____ Output Phase* _____ (1 or 3)

UL-1741 certified * _____ (Yes, No) Note: All ratings per member or manufacturer spec

BBEC use only _____

Include diagram of proposed system, copies of manufacturer specs of interconnected inverter(s).

Producer Signature:* _____ Date: _____

BBEC Eng. Review: _____ Date: _____

Back-feed Test, Utility Disconnect, Point of Interconnection, Interconnect Sign

BBEC use only _____

BBEC Inspection Approval: _____ Date: _____

* Required fields. Form must be signed by applicant before review process can begin.
